Hi All I am filling in for John & Judy who were unable to be at the pond today. After being away for a few weeks it was good to be back and have a good old westerly blowing down the pond. With all the rain we have had it was gum boots or wet feet and some of the skippers were using the park tables for docking pens. The top mark was tricky because of the tree splitting the wind and sending it every which way at the top third of the beat. Many a lead boat lost a place here.

The downhill run was a lucky dip with 25 knot squalls capsizing the unwary, but for all that the racing was exhilarating indeed! Well done to Colin, Garry and Graham who sailed well in the handicap races and Neil and Colin in the scratch races. Cheers have a great week Bunny Nicholson.
