Well - some wind - Pre cyclone gusts made racing interesting.																									
Well done to John Hinton who cleared out with his handicap in the fresh conditions.																									
Gary 2nd and Barry 3rd. You had to think ahead today to avoid problems. A lot of these at mark rounding and a lot of mark re rounding was done !!!																									
Didn't know how to break the tie in the Scratch series so called it 1st equal between Ray and Judy																									
If it came down to who beat who in the last race (match racing rules) Ray would take it.																									
Neil had mast step damage so only raced 2 races. Bad luck Neil.
