

ELECTRON OWNERS ASSOCIATION

E.O.A

CONSTITUTION

The name of the Society shall be the

Electron Owners Association herein called the Association

AIMS:

The Association is established to carry out the following aims:

1. To develop and protect the interest of the Electron class model yachts. To enter into such arrangements with Clubs and Owner groups as will further the interests and development of the Class.
2. To ensure consistency of the Electron model yacht and its component parts.
3. To ensure that only compliant boats are raced at inter club regattas.
4. To administer the class rules and other applicable rules.

ASSOCIATION COMPOSITION:

The Association will comprise all Electron model yacht Owners, who belong/sail with a recognised Electron Club or Group.

The Association Committee shall comprise of the following:

1. One member (or nominee) from each recognised Club or Group who sails Electrons recreationally or competitively.
2. The Licensed Builder of Electrons and their components.
3. The Owner or their representative. The owner being the person or persons who hold the rights to the Electron model yacht and its

components and who has licensed the Builder. The Owner's representative should not be the Licensed Builder.

The above Association Committee will elect an Executive Committee consisting of a Chairperson, Vice Chairperson and a Secretary/Treasurer

The role of the Executive Committee will be to:

1. Manage the affairs of the Association.
2. Implement policy.
3. Carry out the aims and exercise the powers of the Association

The quorum of the committee will be 50% (rounded upwards) of committee members. i.e 7 members then quorum is 4.

The Chairperson will convene Executive Committee meetings and in his or her absence the Vice Chairperson and in his/her absence appoint another person.

Meetings will be called on an as needed basis and may be by physical meeting or email consensus.
