

Auckland Anniversary Regatta 2024

Results are listed below.

Congratulations to Greg Stenbeck for winning (again) and to Bruce Watson, second and John Rountree (up from Tauranga) third.

Well done to all the competitors for racing in winds which must have reached the maximum at times.

Also what an awesome RC boat the Electron is - 30 year old boats racing newer boats and just as competitive and with all the gusts and heavy wind very little damage or breakage at all.

The Auckland Anniversary Regatta Prize giving :

Electrons winner for the 12th time our own
Commodore , Greg Stenbeck.

Congratulations Greg.

Photo of Vicky and Greg thanks to Mark Carroll

AAR 2024 Electrons

Skipper	Points/12 races	Discards	Net	Place
